Dave Slingerland, Village of Cowley  
Dean Bennett, Landfill Manager  
Chelsie Antoniuk – Landfill Administrator

**AGENDA**

Dave Slingerland Moved the agenda be adopted as presented Carried. 05.15.24-2300

**MINUTES**

Doreen Glavin  
Moved the minutes of April 17, 2024, be adopted as circulated. Carried. 05.15.24-2301

**MANAGER’S REPORT**

- MSW is busy again. We have been using the new road that loops around the top of the MSW and back down into the cell, this will allow us to start ripping up the old road going into the cell.
- The Industrial cell is a little busier, nothing of substance yet.
- We are preparing the new Industrial cell for usage as we want to be prepared if a big job comes our way.
- We are continuing to receive shredded tire for the base in the new Industrial cell and stock piling for the new MSW cell for next year, this will translate to a savings of nearly \$150,000 vs drainage rock just for the Industrial cell.
- We are continuing to train two of our employees on equipment so that we have even more diversity, this will allow us to move employees around when we need to.
- The new service truck is up and running, we continue to add tools and equipment to it until it is fully functional.
- We delivered the 1<sup>st</sup> new bin out to the Glamping Resort, this is a new contract we have acquired and is for a 5 year term.
- Recycling is really starting to pick up as it is the season, we just sent a truckload off site last week. Prices continue to be an issue.
- We are putting a second freon removal system in at the Eco center so that we can remove the freon right there and that way when we pick up the appliance bin we can take it directly to the

metal pile instead of dumping all the appliances and then reloading the appliances without freon and then removing the freon and then reload the fridges to take to the metal pile, this will be far more efficient.

-The Eco center is still running with no issues, we continue to receive compliments on our service.

-Recycling in the Crowsnest has not improved but hasn't gotten any worse.

Tony Bruder

Moved the Manager's report be adopted as presented.

Carried. 05.15.24-2302

**FINANCIAL REPORT**

Landfill Administrator provided the Income Statement/Balance Sheet and Budget to April 30, 2024
